

PORTABLE TOILET/ SHOWER UNITS

mobile mini
Secure Container & Site Accommodation Hire

Whether you're looking to replace conventional toilets with a temporary solution during refurbishment, or need on site facilities during a construction project, our portable toilet units are best placed to suit your needs.

12ft 2 + 1 Toilet Unit (for illustration purposes only)

Anti-Vandal Range

- Full steel, anti-vandal construction, ensuring safety and security
- Single sex, male/female blocks and combination units with shower available to meet your needs
- Available in sizes: 12ft x 9ft, 16ft x 9ft, 24ft x 9ft and 32ft x 10ft
- Shower available with 16ft and 32ft units
- Can be connected to mains waste drainage or we can supply a separate waste holding tank as an optional extra on 12ft and 16ft units
- All units are fitted with sinks to allow hand and full arm washing
- Fitted with heating and water heaters

- Lighting and electrics provided
- Insulated with heavy-duty vinyl floor covering
- Units placed on site safely using a bottom-lifting method

Energy Saving Range

- Fitted with timed non-concussive urinals, non-concussive aerator taps and dual flush cistern to save on water
- P.I.R controlled ECO A+ LED lighting
- Heavyweight doors with door closers and an advanced 11-point locking system

Optional extras

We also offer the following:

- Weekly (or on request) effluent removal available as a chargeable extra
- Portable chemical toilets available (with weekly cleaning service)
